**ORDER**

**ROBERT W. LEHRBURGER, United States Magistrate Judge.**

Plaintiff has filed yet another motion to amend (Dkt. 109), even though his previous request was denied (see Dkt. 95). The instant motion is DENIED for the same reasons as previously stated at the Court's order at Dkt. 95 and for substantially the reasons as set forth in Defendants' letters in opposition (Dkt. 111, 112). To the extent Plaintiff's request is a motion for reconsideration of the earlier motion to amend, it is far too late, as is Plaintiff's assertion of a race-based discrimination claim. As Defendant Five Star Electric observes, "notwithstanding that Plaintiff's employment with Five Star ended on April 13, 2017, that the EEOC issued Plaintiff right to sue on January 25, 2018 ... and that this action has been pending for approximately four years, this is the first time such allegations have been made." (Dkt. 111 at 2.) Plaintiff shall not file any further motion to amend while the Report and Recommendation remains pending.

SO ORDERED.

A handwritten signature in black ink, appearing to read 'R. Lehrburger', with a long horizontal flourish extending to the right.
